Effective May 28, 2000, a CPA may only be filed in a utility or a plant application if the prior nonprovisional application was filed before May 28, 2000. A CPA may be filed in a design application regardless of the filing date of the prior application. ACCESS TO PRIOR APPLICATION: The filing of this CPA will be construed to include a waiver of confidentiality by the applicant under 35 U.S.C. 122 to the extent that any member of the public who is entitled under the provisions of 37 CFR 1.14 to access to, copies of, or information concerning, the prior application may be given similar access to, copies of, or similar information concerning, the other application or application in the file jacket.
